

Purchasing Downloader Access

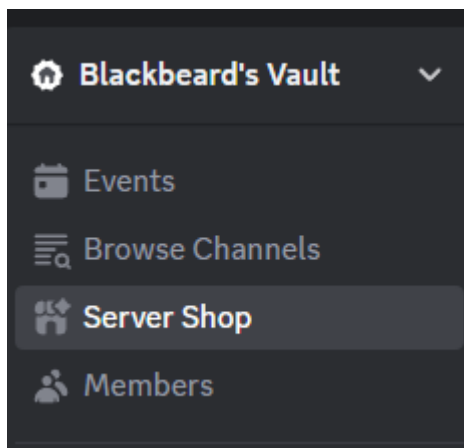

Overview and pricing

Join the discord server by clicking this link <https://vanceconsulting.io/> if you haven't already since this is a pre-requisite to using this feature.

This purchase is needed in order to download media for offline playback. For a guide on how offline downloads work read here: <https://guides.blackbeardsvault.com/books/offline-downloads-and-playback-guides/page/downloading-media>

Visit the Discord server at <https://vanceconsulting.io/>

From there go to the Server Shop at the top left

\$9.99
Role

[Purchase](#)

Below is a gif showing the whole process

Once you have purchased this role, message @Cruv on Discord so he can create your account on the downloader website since that part of the process is manual.

Go to <https://guides.blackbeardsvault.com/books/offline-downloads-and-playback-guides/page/downloading-media> for the guide on how to use the downloader.
