

Web Client Sign-In

Navigate to the website:

<https://blackbeardsvault.com>

The screenshot shows the Emby web client sign-in interface. At the top left, there is a back arrow and the Emby logo. The main heading is "Please Sign In". Below this, there are three input fields: "Username:" with a text input field, "Password:" with a password input field, and a "Remember me" checkbox which is checked. Below the input fields are three buttons: "Sign In", "Cancel", and "Forgot Password". At the bottom of the screen, there is a small quote: "This is the day you will always remember as the day you almost caught Captain Jack Sparrow."

The Username and Password fields use your credentials you received after signing up on Discord.

If you've forgotten your password or cannot log in, double check you are using the correct Username and not your email. If you're still having issues, reach out to @Captain Cruv in the #emby-support channel on [Discord](#).

Once you've signed in, you should see your homepage. Customize to your hearts content.

Revision #7
